MEMORANDUM FOR: Deputy Director for Science and Technology

FROM:   
Director, Foreign Broadcast Information Service

STAT

SUBJECT: Reprogramming Request for Okinawa Housing  
Recapitalization

1. Action Requested: Reprogramming of  within FBIS base activities to continue our Okinawa housing recapitalization project is requested.

STAT

2. Impact: Nonpersonal service funds were set aside earlier in the year to cover then-projected personal service shortfalls in our field bureaus' budgets. The FBIS personal service outlook improved too late in the fiscal year for many of our bureaus to contract for the programmed purchases and services that had been deferred.

3. Purpose: FBIS would like to direct the funds identified by the various bureaus toward the multiyear Okinawa housing recapitalization program, which has been carried as a priority unfunded since FY 85. There are no funds programmed in either FY 88 or FY 89 for this activity.

4. Reprogramming Required:
